Comments or Filing Statement (use this space only)

My husband, Jonathan, and I have been blessed to live in St. Michael for the past 16 years. Our two STMA students and our family love our schools and community. I have always loved working with and advocating for children. During my service on the school board, I have:

- always made students my first priority.
- balanced the interests of students, staff, families, and taxpayers with fiscal responsibility.
- supported the successful implementation of two of my priorities: more recess time and fewer standardized tests.
- advocated for equitable funding for STMA and more local control.
- considered every issue thoughtfully and fairly, listening to all stakeholders and the information presented.
- encouraged transparency and engagement, including the recording of board meetings.
- served on the District Advisory Committee, Policy Review Committee, Legislative Action Committee, Hall of Fame Selection Committee, Activities Review Board, and several negotiations committees, and attended many PTO meetings for the schools in our district.
- attended and participated in numerous events in our schools.
- helped coordinate the "Positivity Project," adding positive messages in three of our schools.
- formed School Supplies for STMA (2016) and co-founded Project Pencils (2018) to provide school supplies for students in need.

If re-elected, I'll continue to work hard for our students, staff, and STMA community. I humbly ask for your support and vote on November 3.

I certify that the information provided on this form is true.
